Hi Janine-

I'm just curious if anything has changed in the [REDACTED] trial scheduled for tomorrow, March 4th, as ADA Opsitnick indicated that there may be a plea since the school zone charge was dismissed. If not, I'll see you in Belchertown around 8:30. Thanks.

The ADA is Janine. I am just working with it because I played a part in the late notice to witnesses. We are trying to get the def atty on the line to talk about it. The School Zone charge was dismissed by the judge and we do not know if that will lead to a possible plea or if they intend to still go to trial. We will keep you posted.

First, I am available on 6/16 for the Albano trial. Second, although I did not have the new Dalmau date on my calendar, I am available and have penciled it in. I received the summons today for the Dalmau trial and I noticed that the ADA listed on it is Janine Simonian - is that correct or are you the ADA working on it? Thanks.

The Albano case got continued to 6/16. Please mark your calendar. On a more serious note, we failed to send you an updated summons for an important drug case. It is on for March 4, 2010 and is an old case that will not be continued. Are you available? It was originally a Jury Trial on Jan 13, but then got converted to a Motion. I thought you had been notified of the new trial date. Do you have it on your calendar? [REDACTED] is the defendant. Please let me know. I have cc'ed our DC Administrator.

I'll try to text you when I'm done, but my phone has been acting a little funny lately (the face-plate goes white - I can still make and receive calls if I know the number, but have no way to see anything on the screen). If I can't text you, I'll have my partner text you letting you know that I have left (something simple along the lines of "left PFD at XX"). Thanks.

Sonja,

If you can text me at [REDACTED] that would be best because i may be in court and nobody in our courthouse office.

The number to the DA Court office is 413-585-8258.

I will have someone call your office as soon as I know what is going.

Nothing has changed for my Pittsfield Superior case tomorrow (Feb. 23). so I'm still planning on stopping in Northampton on my way back. I'll also be calling the lab when I am finished in Pittsfield, so if anything changes with your cases, please call the lab and let them know. Finally, is there a number you'd like me to call when I'll done in Pittsfield so that you will know as soon as possible? Thanks.

I just spoke to the Atty. We need to speak again, however, he has both drug cases and right now they are still on.

I'm wondering if there are any changes to the cases below scheduled for Feb. 23, 2010 since an ADA in Pittsfield needs me on either Feb. 22nd or Feb. 23rd for a Superior court trial (I already have a Superior court case in Worcester schedule for Feb 22nd, but I have emailed him to see if anything has changed in that case as well). Thanks.
